OBJECTIVE

- To improve the fundamental of Mathematics and Science
- To introduce the latest change in curriculum.
- To provide a positive experience to show that math can be fun.
- To prepare students for higher-level Olympiad conducted by Bhabha Atomic Research Centre Mumbai or International Math Olympiad.
- To provide a platform to the top rankers to compete with the students of different states in different math activity directly in the National Convention organized each year by Ramanujan Math Club.

LEVEL OF COMPETITION

A little competition can inspire Math students to greater achievement. The motto of organising such competition by a mathematical club working for last 25 years to improve the standard of mathematics is to let the fear of mathematics be kept thousands mile away from the tender mind of a child.

This competition is open for all students from classes 3 to 12. The syllabus of the concerned classes that the club follows: (a) CBSE (b) ICSE

LEVEL OF QUESTIONS

Class 3 and 4	60% E, 20% M and 20% HOTS
Class 5 and 6	60% E, 20% M and 20% HOTS
Class 7 and 8	50% E, 30% M and 20% HOTS
Class 9 and 10	45% E, 30% M and 25% HOTS
Class 11 and 12	40% E, 30% M and 30% HOTS

Exam centre: School

(E: Easy, M: Medium)

TYPES OF QUESTIONS

All questions will be MCQ's with 4 option, 10% of questions will have more than one true option and students have to write both the options in order to get full marks. The answer has to be filled in OMR sheet that will be provided with the question. **Mode of examination is OFFLINE.**

EXAM FEE

A nominal amount will be charged from every students. The details are as follows:

Classes	Exam Fee
Class 3, 4, 5	₹ 120/-
Class 6, 7, 8	₹ 150/-
Class 9, 10	₹ 150/-
Class 11, 12	₹ 200/-

The amount has to be deposited in HDFC Bank & Account no is **50200022212427** or DD can be sent to the **Green Earth Publication Pvt Ltd.** address. DD should have been made in favour of **Green Earth Publication Pvt Ltd.** along with class-wise Excel sheet information mentioning the Name, Father's Name, Date of Birth and class of every student participating so that certificate should have the correct name of the child.

RESULT

A thorough analysis of every student - questions left, questions attempted, class rank, district rank, state rank and national rank will be provided to the school in excel sheet with correct answer copy.

The result is generally declared in 50 days from the date of examination. Every participating student will get a certificate of participation. The rank holder students will be given - Gold, Silver and Bronze medals. The top 10 students of a state will have the direct entry of National Mathematics Convention where the club will provide the boarding and lodging of all students. The selected students will have the chance to learn from Mathematicians and Scientists working in IIT, IIM, IISC, ISI, ISRO, VIPNET, GUJCOST and Science City.

The top 3 students of each state will be given a Ramanujan Maths Scholarship that contains some cash prizes, books and membership of the club.
